## 2021 - 2022 “Thriving with Gratitude”

Greetings! Welcome to the Association of Educational Office Employees website. Our organization has been serving educational office professionals, students, school staff, and parents of the Los Angeles Unified School District since 1928.

It is truly an honor to be leading this great and wonderful organization for another year. Like my predecessors, I enthusiastically embrace the role and responsibilities of President, and I will follow their footsteps of exceptional dedication and leadership.

I thank you for your membership and invite you to become an active member. We meet bi-monthly on Saturdays and would love for you to join us and share your experience, knowledge and ideas as we continue our mission.

This year’s theme is “**Thriving with Gratitude - The importance of being Grateful during these challenging times.**” The Covid-19 Pandemic has continued to bring great challenges to our school community. With continued grace and compassion, WE have overcome some unprecedented and challenging times. It is with much gratitude that I thank you ALL for your OUTSTANDING support to our schools, offices, students, and communities.

YOUR hard work and continuous efforts have made a difference and helped many. Your tireless workdays and upmost professionalism have brought students back in person. The work that you do continues to move us forward. Browse our website and take advantage of the many benefits and opportunities available to you provided by our state association CAEOP and our national association NAEOP.

I am very excited to continue working together with our Board in moving our Association forward. In the upcoming year, our goals will include recruiting and building our organization’s active membership, enlisting new members to take on leadership roles within AEOE as well as preparing to present the following awards presented during our Annual Scholarship Luncheon on April 23, 2022.
